

2018 Summer Reading Program

This year we had **1,730** students in **50** schools participate in our summer reading program. Those students read **3,071,131** minutes which breaks down to be an average of about **29.6** hours per student, each of the participants should be commended on their efforts. Participating schools are listed in rank order as their average minutes read per capita.

Summer Reading Participation 2018

Please enjoy the pictures on the next page of some of our participating schools' summer reading celebrations!

Don Brinkman takes a pie in the face from one of his summer readers during Saddle Ridge's summer reading celebration.

Scott Schiller and crew are prepared to take on the Southside summer readers in a friendly game of water balloon dodge ball.

Clark Elementary students had a great time in the bounce house!!

Kimber Fessler and the Clark Elementary Mustangs are sporting their summer reader t-shirts.

At Clark they don't horse around—they are mighty mustang readers!!

Big Horn Elementary summer readers enjoyed their Garden Party that included a scavenger hunt.

Uinta Meadows summer readers enjoyed a great time of fun and games during their summer reading celebration. They were all proudly wearing their summer reading t-shirts **"THE WORLD NEEDS MORE READERS"**
